LANCOM SFP-SX-LC1

1000Base-SX SFP modul for Gigabps uplink ports of the LANCOM ES Switch series

- 1000Base-SX standard
- Hot pluggable
- Support **50µm** and **62.5µm multimode** fiber (MMF) cable
- Full duplex mode

LANCOM SFP-LX-LC1

1000Base-LX SFP-Modul for Gigabit uplink ports of the LANCOM ES Switch series

- 1000Base-LX standard
- Hot pluggable
- Support **9µm singlemode** fiber (SMF) cable
- Full duplex mode
